

EFSE Advisory Group Meeting

The second Advisory Group Meeting of the European Fund for Southeast Europe of the year 2011 took place on 9 December in Vienna, Austria. During the Meeting, the EFSE Advisory Group reviewed and exchanged views on the current situation in the international financial markets and discussed trends in the micro and small enterprise finance sector of the EFSE target region of Southeast Europe.

The EFSE Advisory Group is comprised of the Governors and senior executives of the central banks of the EFSE's target region. It provides the EFSE with close linkages to local markets, shares local experiences and formulates recommendations to the Board of Directors with regard to the Fund's strategy and operations.
