

EFSE Advisory Group Meeting

The traditional end-of year meeting of the EFSE Advisory Group Meeting took place at the beginning of the December in Vienna. At the meeting keynote speaker Professor Adalbert Winkler from Frankfurt School gave valuable insights to the Governors and senior executives of the EFSE's target region on the topic of "Finance and Growth – a European perspective".

The EFSE Advisory Group is comprised of the Governors and senior executives of the central banks of the EFSE's target region and has developed into an invaluable instrument for regional dialogue. It provides the EFSE with close linkages to local markets, shares local experiences and formulates recommendations to the Board of Directors with regard to the Fund's strategy and operations.
